Re: Schemes of Improvement in the K. G. F. area.

I have the honour to state that the work relating to improvements to the frontage of the Robertsonpet market is under progress. Side by side with it, the area in front of the Robertsonpet market (adjacent to the Silver Jubilee Park) is also going to be improved. There is a vast extent of land to the East of the said market commonly known as the Shandy Maidan which at present is serving no useful purpose except for the parking of carts on Shandy days. The whole of this area presents an ugly appearance and being open, is in an insanitary condition. Being in the midst of a business locality, there is great demand for sites in this area for opening shops for the sale of fuel, charcoal, hay and such other commodities.

The question of improving the area and making it a source of income to the Board came up for consideration before the Board who have, after a careful consideration of all aspects of the matter, approved of the proposal to improve the area at a cost of Rs. 22,000/-, the improvements consisting of the following:-

1.	Construction of open shops.	14,650/-
2.	-do- of cattle pound and pen.	2,350/-
3.	-do- of a compound wall	2,300/-
4.	-do- of a public lavatory	1,400/-
5.	-do- of one unit of four flush urinals.	500/-
6.	Contingencies, temporary establishment, shifting of fountains planting of trees etc.,	800/-
	Total	Rs. 22,000/-

181. The Assistant Engineer's report suggesting the following improvements to the Shandy Maidan near the Robertsonpet Market and requesting sanction to his proposal as this would on the one hand improve the locality and on the other, bring good revenue to the Board:-

1.	Constructing open shops	14,650
2.	-do- cattle pound etc.,	2,350
3.	-do- compound wall	2,300
4.	-do- public latrine (slabbed one)	1,400
5.	-do- one unit of four flush urinals.	500
6.	Contingencies and temporary establishment charges including shifting of fountain, plating of trees etc.,	800
	Total Rs.	22,000

May be sanctioned under the improvement scheme
